

September 1, 2002

Subject: Contract # ED-99-DO-0002
 Task Order # 30 HR Modernization Support
 Deliverable 30.1.7d Application Service Provider One-Year Access

EXECUTIVE SUMMARY

The Application Service Provider One-Year Access that is required by the subject task order is delivered. The Applications Service Provider Access deliverable enables FSA to obtain access to the Perform.com ASP Goal, Competency Management and Appraisal Modules. The access is granted through this deliverable for a period of one-year. Perform.com is the ASP selected by FSA to automate the Performance Development Process for FSA providing growth and development opportunities to employees.
